

St James' C of E Junior School

Pupil Premium Strategy April 2020 to April 2021

The Pupil Premium grant is additional funding allocated to the school by the government with the aim of raising the achievement among disadvantaged children.

Each school will be allocated a different amount based on how many of its pupils are currently eligible for Free School Meals (FSM), or, have been eligible at any point during the past six years. Additional factors taken into consideration are children that have been in the care of the local authority and children of armed forces personnel.

Schools are able to make their own decisions about how to spend the money in order to enhance the provision for their pupils. Its main aim however is to reduce the attainment gap between the highest and lowest achieving pupils by providing a curriculum closely tailored to their needs in order to improve progress and offer assistance where needed. It is also used to improve pupils' experience of school overall with the emphasis on motivating them to attend and participate fully in school life.

At St James' C of E Junior School and, in accordance with our Church of England foundation and ethos, we seek to promote the welfare of the most vulnerable children. We recognise that pupils who attract the Pupil Premium grant are not always those with the greatest need and that not all pupils who are socially disadvantaged are registered or qualify for Free School Meals (FSM). We use the pupil Premium Grant to support individual pupils or groups of pupils the school has identified as being socially disadvantaged.

Pupil Premium Grant April 2020 – April 2021

St James' C of E Junior School: £87,080.00 (approximate)

This also included pupils eligible for Free School Meals (FSM) at any point in the last 6 years (known as the Ever 6 FSM measure).

Total number on roll	145 (Fluctuates throughout the year)
Total number of eligible pupils	63 (£1,320 each) (This will fluctuate throughout the year)
