REMINDER: School meals are £2.95 per day and £14.75 for a week and should be paid in advance via Parentpay. Please make sure all accounts are up-to-date and in credit. **We are concerned how many accounts are constantly in arrears; they should all be in credit.** Please make sure that the parentpay account is clear at the end of this term. If you need log in details, please email admin@sjjs.dgat.org.uk and they will be emailed to you.

Head Lice

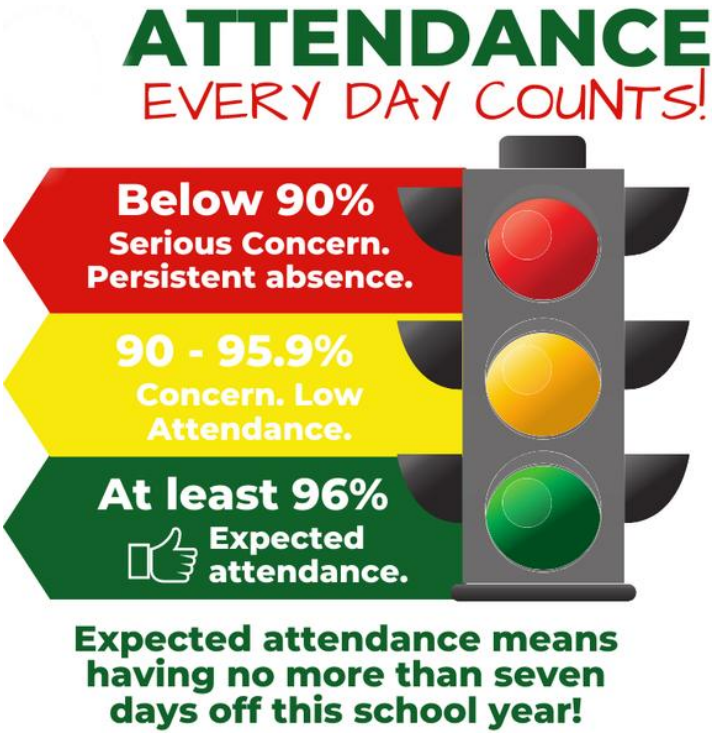

We have been advised by some parents that they have discovered head lice on their children. Please check your children's hair for head lice. Please check your child's hair frequently as eggs hatch very quickly. Head lice are tiny insects that live in hair. Nits are the empty egg cases attached to hair that head lice hatch from. Head lice are a common problem, particularly in school children aged 4-11.

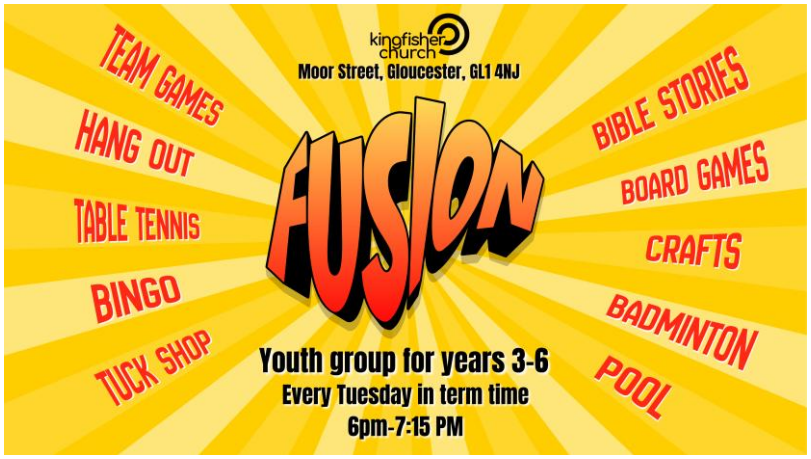

PGL for Year 6 – Please see the recent email we sent and information on our website: St James' Church of England Junior School - Year 6 PGL Residential 2027 Payment is now available via Parent Portal only.

REMINDER – SJJS is a cashless school except for non-uniform days, charity collections and fundraising events. T-shirts, bags, ties, swimming and all trips need to be purchased via Parent Portal on Arbor. Please don't use Parentpay for anything but payment of lunches.

SWIMMING FOR YEAR 5 AND YEAR 6

You can pay in instalments or in one lump sum via the Arbor Parent Portal. You will be able to see how much you have paid and how much you owe. No cash payments will be accepted.

Arbor Parent Portal

The Arbor Education online system is a data system that allows you to view your child's attendance, data information, register for clubs, pay for swimming, trips and buy ties, book bags and house t-shirts.

When your child starts at St James', you will receive a welcome email from Arbor. It is important when you receive the email that you activate your Arbor account via parent portal, as we will be sending you communications via Arbor.

The email will contain your login information to access Arbor, where you will be able to view your child's attendance data and the information we hold for you (eg: name, address, email, contact details).

Process

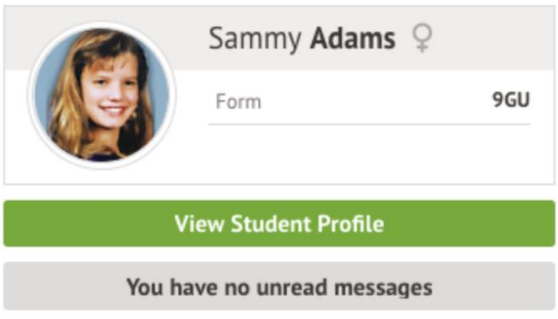

1. You will receive a 'welcome to Arbor' email from St James' Church of England Junior School
2. Within that email it will have a link to login. Click on **login**
3. The Arbor site will appear, input your email address and click **'forgot password'**
4. You will receive a password link sent by email from St James' Church of England Junior School (please check your junk/spam folder)
5. Using the username and password in the email, login to Arbor
6. Verify account
7. Enter the Date of birth of your child
8. Verify
9. Account verified - you will see your child's data! (see example below).

Once you have logged into Arbor, check the data information we hold for you is correct. You will be able to amend any information to update your contact details. You, as parent, have the facility to change data, you do not need to inform the school office if the data is incorrect.

Your Homepage Dashboard

The dashboard is the first screen that you will see. This gives a quick glance of the student's daily timetable, behaviour points, meals, notices, current attendance and progress.

You can see your in-app messages by clicking this button under your child's photo. (Photos added after being taken in school by school photographers).

You can return to this page at any time by clicking on the school's logo or choosing Dashboard from any menu. On the homepage you'll also see sections for:

- Statistics - This shows information about the student's attendance, behaviour and progress statistics for the current term.

- Accounts - The **Accounts** section loads the student's account balances. **Lunches will still be paid via Parentpay.**
- Trips - Sign your child up for trips.
- Clubs - Sign up to After School clubs.
- School Shop - Make purchases for items.

Making healthy
school lunches easy!
Helping children make healthier choices at school doesn't have to be complicated. A few simple changes can build healthy habits and help your children stay energised and ready to learn throughout the day. Here's a few tips to help you get started:
Tip 1:
Pack some healthy snacks
Including a healthy snack in your child's lunchbox, like a preferred fruit or plain popcorn, can help them stay energised throughout the school day and make nutritious choices easier.
Tip 2:
Know what options are available
Take a look at your child's school lunch menu together and talk about the healthier choices available. Exploring the options in advance can encourage children to try new foods and make balanced choices at lunchtime.
Tip 3:
Talk about healthy choices
School lunchtimes can be a great time to encourage independence and positive decision-making. Agree simple goals together and celebrate healthy choices throughout the week.
